Seattle
STD/HIV

PREVENTION TRAINING CENTER

This course is designed for
clinicians in the Spokane area who
diagnose and treat patients with
sexually transmitted infections.

The STD Update course
provides participants with
training in the most recent
advancements in the
epidemiology, diagnosis,
and management of viral
and bacterial STDs.

By the end of the course
participants will be able to:

- Discuss the latest diagnostic and testing procedures for the infections covered.
- List the current recommended treatments for the sexually transmitted infections covered.

Continuing Medical & Nursing Education Credit Available

Continuing Medical Education: The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 13.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education: Professionals who wish to receive a contact hour certificate must complete a CE registration form (provided at the course), all course activities, and an evaluation. A certificate for 13.5 contact hours (of which 9.7 are in pharmacology at the advanced practice level) will be awarded.

The University of Washington School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

Psychologists: The UW School of Nursing qualifies as a Washington State CE program sponsor under WAC 246-924-249(1).

Social Workers and Counselors: The UW School of Nursing qualifies as a Washington State CE program sponsor under WAC 246-809.610.

Other disciplines: A certificate will be awarded for use in documenting completion of this offering.

The Seattle STD/HIV Prevention Training Center presents

OPTIONAL 2-DAY CLINICAL PRACTICUM

Public Health Seattle & King County STD Clinic

Seattle, Washington

Dates between March 28 and May 31,
2013 available!

\$100

Practicum participation is limited to 6 students so early registration is imperative. Register for the Clinical Practicum when you register for the STD Update in Spokane, Washington

After receiving confirmation of their acceptance participants will schedule practicum sessions directly through the Seattle STD/HIV Prevention Training Center. Practicum participants must produce evidence of workers' compensation and liability insurance coverage for their participation in the clinical practicum at the PHSKC STD Clinic and such documentation of this insurance must be submitted to the clinic in advance of practicum.

STD/HIV

PREVENTION TRAINING CENTER

This course is designed for clinicians practicing in the Spokane area who have **completed the STD Update course held in Spokane, WA March 21-22, 2013** and who have at least six months STD exam experience.

The STD Clinical Practicum includes basic examination skills, skill development in sexual history taking, review of clinical case studies and hands-on experience in the STD clinic and laboratory under the direct supervision of a skilled preceptor.

By the end of the course participants will be able to:

- Elicit and record a focused sexual history.
- Perform thorough STD examinations on both male and female patients.
- Collect and perform STAT laboratory tests for the diagnosis of STD.

Continuing Medical & Nursing Education Credit Available
